Flow ... What to Expect:

9:00 a.m. – 3:00 p.m. In a beautiful setting, you will be guided to the living water of God's love through prayer, Scripture, worship and quiet.

3:00 p.m. – 5 p.m. As the Spirit leads... during this time some will need to return home while others are welcome to stay and continue in fellowship, reflection or time with a spiritual director. At the silent retreats this will be a time where we celebrate the traditional Love Feast as we break our fast & silence.

Other retreats and changes to the calendar will be posted on our web site throughout the year...
